How do you make a donation?

Eatonia Oasis Living Resident Support Program is a pilot project that was approved by the Board of Directors to run from September 1, 2018 for one year, at which time it will be reviewed. The occupancy level of our home has been low for several months. The biggest obstacle in the way of filling our beds seems to be the cost of living in our facility.

It is our hope that the Resident Support Program will reduce the income barrier of potential residents so that Eatonia Oasis Living will be a viable option for everyone.

If any organizations or individuals would like to make a donation to see that this program continued for years to come, please contact the office at (306)967-2447. A Charitable Tax Receipt will be issued for all donations.
