

# Eatonia Oasis Living

May 2020

Happy Spring! We hope everyone continues to stay healthy and are being cautious as the world slowly starts opening up. We are still under strict restrictions at EOL and likely will be for some time yet—Residents and staff are all doing as well as can be expected. It is nice that we can sit outside now when the wind is down.

We currently have 17 residents living here. We would like to welcome Fern Sinclair and Wilma Kachmarski to our home! They are both here for respite care. Maybe you ladies will love it so much, you'll stay!

Belated Happy Birthday wishes go out to Yvonne Smith and Lloyd Martin in April; and Happy Birthday to Ferne Gill who celebrated her birthday in May!

## Growing Project 2020

Eatonia Oasis Living is partnering with local organizations and farmers to complete our third Growing Project which is now underway!

If any organization or individual would like to financially support this program, a donation can be made through EOL and a charitable receipt will be issued. An account is also set up at Nutrien Ag Solutions and payments can also be made there to cover some of the expenses, if that is a better option for you.

If you have any questions or would like more information please contact Krista Stevens by email [eol@sasktel.net](mailto:eol@sasktel.net) or phone 306-460-7552.

Watch for further updates!!
