

# EATONIA OASIS LIVING NEWS

Another month has gone by and Spring is in the air! We would like to welcome Frieda Olfert from Outlook to EOL. She has not been out and about much, but we are enjoying getting to know her. This brings us to 18 residents! We got our second COVID19 vaccine this month. A few sore arms, but nothing too serious. It was an exciting day for all of us. One step closer to the world opening up we hope!

Other activities we did were exercises, Bingo, Tile Rummy. We are continuing with our Trivia Time sessions, practicing up for the big competition! We made some St. Patrick's Day crafts as well as some cute Easter baskets! A big Thank you to Marie Smith for getting these together for us! We are not nearly as creative as you are! Hopefully soon, you can come back in and help the residents again. We miss you!

We had four birthdays to celebrate in March!! Happy Birthday wishes go out to Jean Wolter, Lloyd Martin, Betty Lothammer and Rose Alexander! We got our fill of cake and ice cream!

Planting seeds for the garden!!

I am sure there were a lot of words of wisdom shared!

With the weather getting warmer, the residents are now able to visit outside with their loved ones. Appointments still must be made, as there are limited areas to visit and limited staff to arrange the visits. Your patience is much appreciated!

We would like to extend our most sincere appreciation to everyone who has made a donation of any kind to our facility... We thank you from the bottom of our hearts!!
