Hello, all!

It was a quiet month at EOL. With the rising cases in the area, visitation was reduced, and volunteers were put on hold.

We had a bit of a scare with routine testing showing positive cases amongst the residents and staff! We completely shut down visitation and had the residents stay in their rooms. It was difficult at times, but that is behind us now, as all the residents have tested negative!

Visitation will slowly open up, and we will continue to be vigilant.

We thank everyone for understanding the changes that had to be made to keep our residents safe.

Thank you to our volunteers!

- **Linda Radies for calling Bingo**
- **Artur Zbercha for doing exercises on the weekend and helping Linda with Bingo**
- **Marie Smith and Janine Specht for everything you do!**
- **Ann Davey (Lutheran Church), Annette Palmer (Catholic Church) and Marie Smith (United Church) for providing Church services.**
- **AND to anyone we missed... THANKS!**

Visitation is at Level 1 Family Presence. This means each resident can have two designated visitors, one at a time.

Please call if you have any questions!!
