**Hello residents, families & friends,**

May was a tough one for all of us at EOL but happy to report we are once again feeling good & getting things back to normal with group activities & visitors coming & going to see their loved ones.

We are looking forward to getting some planting done & still praying for some rain. We look forward to getting outside more & enjoying the sunshine & the deer in the yard.

Our staff & residents at EOL would like to extend our sincere condolences to the family & friends of Rose Alexander, she will be missed by many. We always enjoyed her sense of humour & gift of gab. May she rest peacefully.

We appreciated all those who made a donation in her memory, thank you!

*Happy Birthday*
