Hello residents, families & friends,

We are still patiently waiting for April showers to replace this cold, snowy weather. We can't wait to get outside for some fresh air & get our garden and patio area ready.

We don't let the dreary days ruin all our fun though, we have been busy with many great activities thanks to so many great volunteers. We had an Easter BINGO with some Spring/Easter prizes. They were pleased with their chocolates & décor. Marie, Janine & Pat from the UCW put on a heck of an Easter/Birthday party with Brian, Dennis & Heather performing some great tunes. Susan Theaker, Sarah Becker & their team paraded their horses around to spread some Easter cheer! They looked great dressed as bunnies! The following week, Kirsten Stusrud & Susan Theaker organized a great afternoon of making our annual bird feeder wreaths! They brought all the supplies to make them. George, Elaine & Linda were great helpers for the residents, and they can't wait to hang them outside. Next up, Rylan Cocks was over for an afternoon to teach us the skill of pottery. We created some unique bowls & had many laughs. We look forward to sharing the finished products with you all. To cap off the month of fun, Catherine, Millie & Henry brought three little lambs in for some cuddles, the smiles on everyone's faces told the tale.

## YES, I'M A SENIOR CITIZEN!

I'm the life of the party—even if it only lasts until 8 p.m.

I'm very good at opening child proof caps—with a hammer.

I'm awake many hours before my body allows me to get up.

I'm smiling all the time because I can't hear a thing you're saying.

I'm sure everything I can't find is in a safe, secure place, somewhere.

I'm wrinkled, saggy, lumpy, and that's just my left leg.

I'm beginning to realize that aging is not for wimps.

Yes, I'm a SENIOR CITIZEN and I think I am having the time of my life!

Now if I could only remember who sent this to me, I wouldn't send it back to them, but I would send it to many more too!

Happy Birthday
