Hello residents, family & friends,

February was filled with love for our residents, thanks to our staff and volunteers. Eden & Candy went above and beyond with the decorations, as usual. We get so many compliments on how our home looks for every single occasion.

We celebrated Linda's birthday & had a Valentines Day party on the 14th, hosted by the EOL ladies auxiliary. Debbie Adams supplied the cheesecakes and Brenda Hoffman played the piano. Linda & Vicki helped serve the cake and brought some chocolates for everyone. It was enjoyed by all who attended.

Our artists were hard at work again, Rylan Cocks was home from Vancouver to do another art class with us. They did some beautiful bird paintings and once again, they turn out great.

A few of our staff attended the 1st level of OHC training in Kindersley. The following day Mandy & Celestina were the teachers and instructed their first TLR class for our staff. Its nice to always keep up to date on our training to benefit the residents and employees.

We closed out the month with an awesome Chinese food lunch sponsored by Brian, Sam & Kenny Somerville. We had many laughs reading our fortunes. We continue to be amazed by the support our seniors get from the entire community!!! THANK YOU!!!

If you have any exciting, new ideas for us to share with our residents, please give us a shout!!!
