Hello residents, families & friends,

May has been another great month for our residents. We have been showered with love & support from our families, friends and community. AND, we are loving the showers outside too. The old farmers are excited & checking the gauge regularly. We would like to thank all those who have helped to make our yard beautiful with donations of bird feeders, flower baskets, perennials, rain gauge and a homemade fountain. Mandy put the garden in on our back patio and we are looking forward to the warmer days ahead to enjoy the outdoors.

We had many great events taking place this month. We had a great turn out to celebrate Irene's birthday with family & friends. Thank you to the Catholic Church group for the delicious cake & entertainment.

We had a full house for our Mother's Day Tea & Bake sale, the residents enjoyed the day so much. The ladies auxiliary organized quite the bake sale and also served coffee & cake to all our residents & guests. The EOL board provided beautiful center pieces for the event. All our moms were treated to a beautiful rose, thanks to our friend Leah Cooper.

We would like to thank our student from Eaton High, Andrew Bating, for choosing EOL for his work experience program. He helped a lot in the kitchen, tidying the yard, assisting with exercises and activities & doing some extra spring cleaning. We enjoyed having you.
