**Hello Residents, Families and Friends!**

We've had lots going on around EOL these past couple of months, and it's been a great summer filled with plenty of fun and good memories.

For our August birthday party, the ladies from the Catholic Church came in to celebrate with us. They also brought along some young girls who sang for us and played the piano. It was so nice to see our residents enjoying the music, and it's amazing to see the talent of the next generation!

We also had some very special visitors come by when Sarah, Dustin and Grace brought their puppies in to see the residents. We absolutely love having our furry friends visit, and the puppies brought lots of smiles.

We tried to enjoy as much of the nice weather as we could, spending a few afternoons outside with a cup of coffee and some good company. We even made some lemonade and spent some time out front blowing bubbles. It's the simple afternoons like these that make summer so enjoyable, and we'll be sad to see the warm weather go.

We had another Happy Hour with Lorraine Hartsook, and as always, we had such a great time! Lorraine sure knows how to get everyone on their feet. There was lots of music, laughter and even some dancing!

Rylan from MakeSpace Art Studio in Leader came back to spend some time with us and we tried something a little different this time. We made pottery plates using leaves, and they turned out beautiful! It was fun seeing everyone's creations.

It's hard to believe another summer has already come and gone. We've made lots of great memories over the past couple of months, and we're so thankful for everyone who came through our doors and helped make our summer a special one.

We hope everyone had a great summer, and we wish everyone a very **Happy Harvest!**

Thank you to all who provide church services at EOL.
A spiritual component included in the residents' care is very important and appreciated by all.
